

THE N.Z. DX. R.A. _____

WHAT IS IT?

It is a listeners' club--an incorporated society--concerned with the practical problems of interest to the listener to overseas programmes, such as the elimination of power interference, and the aiding of those in doubt as regards the identity of stations heard.

You can help us by joining the N.Z. DX. R.A. and giving us your assistance. We help you with (1) Advice; (2) Information concerning stations; (3) Publication of topical news for DXers per medium of "Tune In".

We have active branches in all main cities holding regular interesting meetings; and publish a callbook at 1/6 (booksellers) which is unequalled in the Southern Hemisphere. We issue report forms, members' stationery etc. (see Callbook)

To join, just send us a postal note for 3/6. This includes life membership, badge and certificate, and 12 months' subscription to official organ, "Tune In". (notes also in "N.Z. LISTENER")

May we hear from you?
