Dear Listening Friend:

The Staff of Radio Station HCJB joins me in sending you cordial greetings and thanking you for your communication. It is always a joy to us to hear from listeners throughout the world and the sincerity of our appreciation is in no way diminished by the necessity of this form letter, due to the pressure of correspondence at present here at the "Voice of the Andes".

We count it an unparalleled privilege to be able to Herald Christ Jesus' Blessings, as we realize that He alone can meet the needs of the human heart. We thank Him for the message that "God so loved the world that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life."

Enclosed you will find a program schedule folder, which may be of help to you in tuning in to the broadcasts which you particularly prefer, and in telling your friends about HCJB.

We shall always be more than happy to hear from you. In the meantime, we wish you God's richest blessing and thank you again for your interest.

Very sincerely yours,

Clarence W. Jones
